PEEL CONNECTIONS

Other Voices/Other Views: *The Economics of Happiness*

Wednesday, April 27 at 7pm, Farwell T. Brown Auditorium

This documentary describes a world moving simultaneously in two opposing directions. On the one hand, government and big business continue to promote globalization and the consolidation of corporate power. At the same time, all around the world communities are coming together to re-build more human scale, ecological economies based on a new paradigm – an economics of localization. (2011; 65 minutes)

Sponsored by the Alliance for Global Justice and APL.
