National Library Week: Find your joy!

by Lucy Carlson, Development Director
Ames Public Library Friends Foundation

What are some things that bring you joy?
I'll go first:

- When the sun shines through a window and makes a rainbow prism
- A good cup of freshly brewed coffee in the morning
- Getting a surprise call from a good friend
- Having all my emails read and responded to
- And of course... walking through the Library and hearing and seeing all the wonderful people and programs

This month we get to celebrate National Library Week, April 19-25, with the theme "Find your Joy." Celebrate National Library Week by spending time at the Library and noticing the things that bring you joy.

You can also celebrate by making a donation to the Ames Public Library Friends Foundation (APLFF), helping our entire community find joy at APL through programs, books, and the many resources the Library offered. You can make a donation online at www.APLFF.org or write a check.

Thank you for your friendship, your support, and for helping bring joy to Ames through your gifts!
