

Child Care Ready by CCR&R

Do you.....

- Enjoy working with children?
- Want to be your own boss?
- Need extra money while staying at home to raise your own children?
- Already provide child care but want to become registered Child Development Home?

Or....

Are you a recent high school or college graduate looking for a career in the child care field?

If you are looking for a career in Early Childhood Education—This series of workshops is for you!

www.iowaccrr.org

If you have a passion for children, are eager to make a change in your life, and you're ready for help in reaching your goals—NOW is the time to make it happen!

Join us....

Orientation Night

Wednesday, February 19th, 2020 7:00—8:00 PM

Ames Public Library—PEO room

Come to this free series of trainings/technical assistance. You will learn about the different career pathways available to you in the early childhood profession and how to get started in a new career. A light supper will be provided for those who pre-register. Limited spaces available.

Completion of the FREE series will:

- Assist you in navigating the Department of Human Services employment processes surrounding child care
- Provide incentives for those who complete the series are available
*Vary based on county of employment

To register for the orientation/series or for more information, contact :
