Casandra Eames has been selected as the first Diversity, Equity, and Inclusion
(DEI) Coordinator for the City of Ames. Eames was previously with the Story County
Attorney's Office. She began her new position on Wednesday, March 29.Adding a
DEI Coordinator was one of 21 recommendations from the "Policing in Ames: A Path
Forward" report Ames City Manager Schainker presented to the Ames City Council
in 2020. The report addressed ways to improve Ames Police Department policies
and strengthen connections with community members. In addition to working with
the Police Department, the DEI Coordinator will partner with all City departments

and committees to help ensure that City policies and programs promote an inclusive environment for all those who are served by the City organization. The Coordinator also will provide assistance to the Ames Human Relations Commission. In collaboration with this Commission, this new position will coordinate activities, trainings, and other programming designed to educate, inform, and maintain a welcoming environment for those who live, work, and visit the Ames community. In addition to working as a legal assistant in the Story County Attorney's Office, Eames served as a detention officer at the Story County Jail, a bilingual family-based services counselor with Youth & Shelter Services, an art education program coordinator with the Octagon Center for the Arts, and served as a bilingual family development specialist with Mid-lowa Community Action Inc. Eames earned a bachelor's degree in sociology from lowa State University and a master's degree in organizational leadership from Colorado State University. As DEI Coordinator, she will be based in the City Manager's Office.

 They are accepting public comment through May. Final adoption will be in June.
- ASSET (Analysis of Social Services Evaluation Team) is comprised of four funders in Story County, Iowa that assesses, coordinates, and funds human services provided in the county. The ASSET Funders are City of Ames, Iowa State University Student Government, Story County, and United Way of Story County. ASSET has an open Request for Proposal (RFP) to provide emergency shelter services as the need in Story County has exceeded the existing resources. More information is available at www.storycountyasset.org. Proposals are due by June 2nd.
- The fifth Community Conversation "Civility in Conversations" was rescheduled from April 4th to June 6th due to inclement weather. This event is intended to be an interactive presentation exploring the importance of civility and civil discourse in addressing the challenges of mental health issues we face both from an individual perspective as well as public engagement. The event is hosted by the City of Ames featuring speaker Scott Raecker, Executive Director of The Robert D. and Billie Ray Center at Drake University. Administrative Staff Report: Schofer gave a report to the Board.

- The Employee Service Awards Luncheon was today. The luncheon celebrates employees reaching milestone anniversaries in increments of five years. Pleasants (Customer Account Services Library Assistant), Hopkins (Youth Services Project Smyles Presenter), and Vaclav (Customer Account Services Library Aide) each celebrated five years. Dornink, Resource Services Manager, celebrated ten years. Hartzler, Resource Services Library Clerk, celebrated fifteen years. Gulden, Adult Services Library Assistant celebrated twenty years. Lastly, Briseno, Customer Account Services Manager celebrated twenty-five years.
- The Volunteer Recognition Reception was also today. President Reynolds and Schofer made some remarks to the volunteers. Bohlke, Volunteer Coordinator, presented the Volunteer Emeritus Awards to Rod Brink, Marv Scott, Rudy Jensen, and Carla Dixson, all long-time volunteers. The committee that worked on the reception did an amazing job.
- Battle of the Books took place earlier this month with 39 teams of 5th grade students and 20 teams of 6th grade students competing from Ames, Ballard, Boone, Gilbert, North Polk, Slater, and United Community schools. Ames Public Library's Battle of the Books is a way for Students to have fun and compete in a book-related challenge. Students form teams, read a designated list of books provided to them in the fall, and come prepared to answer questions based on facts from the books. Winners receive a traveling plaque and, of course, bragging rights for a whole year! Hundreds of kids and their family participate each year using nearly every space in the library.
- The Ames Repair Café returns for the third time to the Ames Public Library, 515 Douglas Ave., from 10 a.m. to 4 p.m. on Saturday, April 22. Ames Repair Café volunteers have partnered with the Ames Resource Recovery Plant and Ames Public Library to promote waste reduction by repairing rather than replacing items that no longer function properly. The repairs are offered at no charge. The Ames Repair Café Team is an all-volunteer group with various repair skills. Some items the volunteers are prepared to work on include clothing, jewelry, musical instruments, computers, furniture, bicycles, wheelchairs, AV equipment, and small appliances, motors, and combustion engines. Participants are expected to bring their items to the library and remain with them throughout the repair process. If volunteers are unable to fix the item or if parts are required, the volunteers will assist in finding a local repair shop. If participants have replacement parts, they should bring them with the item. Volunteers also will focus on sharing basic maintenance tips. This Repair Café event will also include a flower and vegetable seed giveaway from Iowa State University Extension and Outreach - Story County, and native tree seedlings from the City of Ames will be available while supplies last.
- Staff are planning for summer reading promotion and programming. They plan to do a big push with the schools in May.
- The library will be offering free summer meals to all youth 18 years and younger again this year. Funding is provided by the Ames Public Library Friends Foundation.

- Planning for Juneteenth and Pridefest is also taking place.
- April is a month of tours including the City of Ames new employee onboarding tour, the new Trustee orientation tour, the new City of Ames DEI Coordinator tour, and approximately 75 preschool and daycare tours through Project Smyles.
- Schofer, the managers, and several of the DEI Team members are taking an online Antiracism 201: Digging Deeper in Antiracist Library Cultures course in May put on by LJ and SLJ Professional Development.
- People are checking out the 1st Amendment Days exhibit. The library partners with the ISU Greenlee School of Journalism around this each year.
- A Novel Ideas Scavenger Hunt will be available next week for National Library Week.
- The Library is moving forward with upgrading our email to Microsoft 365 with Teams to foster better collaboration internally and with city departments. Planning is underway including a data migration the evening of May 10th.
- We received a call regarding a possible art donation, a rendering of the 1915 Ames Main Street photo that is hanging in the Ames Historical Society window. The painting is 3' x 7' and is presently owned by someone who graduated from Ames in 1961. They said they would take a picture of the piece and send it to us so the Art Committee could consider it.

APLFF Report: Thorbs-Weber gave a report to the Board.

- The Spring Mailing is being sent out during National Library Week. It is one of two annual campaigns.
- The Ames Public Library Friends Foundation Development Director resigned. The Finance Committee is going to review the position and consider making changes.
- The APLFF financial position continues to be strong with great support from the community and book sales.
- Nominations were made for the officers for the upcoming year; Luze President, Klindt Vice President, and Hoffman Secretary/Treasurer. The nominations will be voted on at a future meeting and will be effective for FY24.

<u>Budget & Finance Committee</u>: Myers gave a report to the Board.

• The adjusted FY23 budget, due to changes by the State Legislature, has yet to be approved. The current summary report shows that we are little underspent at 69.16% where at the end of March we should be closer to 75% spent. Once the budget amendments are approved, our total spent will be closer to on track. There are no unexpected expenses or concerns at this time.

Moved by Myers, no seconded is needed since it is brought from a committee, to approve the review of the financial review as presented.

Vote on Motion: 7-0 (Reynolds abstained; Torres III excused). Approved unanimously.

Board Education:

Youth Services Manager introduced herself and gave a presentation about Project Smyles. Project Smyles is an outreach project visiting children where they are during the day, in

daycares and preschools, that began in 2006. Its purpose is to provide early literacy skills by presenting a storytime at 94 different daycares and preschools each month and delivering library materials for the children's use at each visit. Library materials from the previous month are collected by the presenter, and new items are left. In April most of the daycares and preschools will visit the library and have a behind the scenes tour of the library, have a storytime, and a chance to select their own items for their collection for the month.

Policy Review:

<u>Circulation and Customer Accounts Policy:</u> This policy was brought to the Board last month for discussion. The Customer Account Services team has reviewed the policy as well as the managers. There are several suggested changes. The first change is to remove the last sentence under Library Materials and Services "To use public access computers, customers must have a borrower account or a computer use account" since this is no longer accurate. Guest passes are issued for anyone wanting to use a public computer. Under Library Borrower Accounts changes were made to include the acceptance of the Central lowa Community ID as an acceptable photo identification, adding a preferred name to be added to accounts, adding shipping confirmations being accepted as proof of residency, and adding online library account registration. Student Accounts were changed from kindergarten to pre-K. Other changes are minor wording and adding references to policies referenced in this policy.

Moved by Myers, seconded by Crain, to approve the revisions to the Circulation and Customer Accounts Policy as presented.

Vote on Motion: 7-0 (Reynolds abstained; Torres III excused). Approved unanimously. Resolution No. 2023-L008 adopted.

<u>Library Charges:</u> This policy was brought to the Board last month for discussion. The managers have reviewed the policy. No changes are recommended.

Moved by Johnson, seconded by Mitchell-Conway, to approve the review of the Library Charges Policy without changes.

Vote on Motion: 7-0 (Reynolds abstained; Torres III excused). Approved unanimously. Resolution No. 2023-L009 adopted.

<u>Collections Policy:</u> Schofer introduced the policy. The Board discussed the policy. This policy will be brought back next month for action.

New Business:

Enrich Iowa Agreement: The Enrich Iowa program offers public libraries state funding through the Direct State Aid, Open Access, and Interlibrary Loan (ILL) Reimbursement programs. Funding for Enrich Iowa is appropriated by the Iowa Legislature and approved by the Governor. In the current fiscal year, APL has received \$63,761.02 in revenue from the State—\$16,838.76 in Direct State Aid, \$44,588.78 for Open Access and \$2,333.48 Interlibrary Loan (ILL). Last fiscal year APL received \$65,591.83. In order to participate next year, the signed agreement must be received at the Iowa Library Services Des Moines

office by April 30, 2023. APL's Financial Limits Authority Policy requires Board approval before the Director may sign agreements for services delivered by the Library that result in revenues of \$25,000 or more.

Moved by Reger, seconded by Johnson, to authorize the Director to execute the FY24 Enrich lowa agreement as presented.

Vote on Motion: 7-0 (Reynolds abstained; Torres III excused). Approved unanimously. Resolution No. 2023-L010 adopted.

<u>Custodial Contract Renewal:</u>: Custodial services for Ames Public Library are provided by a third-party professional cleaning service. For the last four fiscal years ABM has provided relatively low-cost custodial services for the Ames Public Library and ABM's representatives have worked closely with Library staff to ensure high quality results and to accommodate the timing of library activities and public events. The hourly rate for the FY24 renewal is \$17.00.

Moved by Myers, seconded by Gibson, to approve the FY24 contract for library custodial services to ABM in the amount of \$93,466 and recommends City Council award the contract as presented.

Vote on Motion: 7-0 (Reynolds abstained; Torres III excused). Approved unanimously. Resolution No. 2023-L011 adopted.

<u>FY24 APLFF ASK:</u> The Ames Public Library Friends Foundation provides wonderful support to the Ames Public Library including financing for the bulk of the public programming, summer meals, book giveaways, Project Smyles staff and supplies, a shared position with Iowa State University, hotspots, the Teen Advisory Group, collection support, and electronic resource support for things like Hoopla and Kanopy. Each year the library prepares a proposed Ask for funding. It is brought to the Library Board of Trustees for approval and then presented to the Ames Public Library Friends Foundation Board for their approval.

This year the library is requesting funding in the amount of \$399,879 for fiscal year 2023/24 for the following purposes:

| Programming | \$58,000.00 |
|-------------------------------|-------------|
| Collections | \$85,000.00 |
| Marketing and Promotions | \$11,500.00 |
| Project Smyles | |
| Community Engagement Position | \$36,000.00 |
| Innovations | \$10,000.00 |
| Professional Development | \$7,250.00 |
| Summer Food | \$18,000.00 |
| Interns & Benefits | \$51,629.00 |
| Youth Area Update | \$80,000.00 |
| Adult Services Furniture | \$10,000.00 |
| Literary Grounds Supplies | \$2,500.00 |

Moved by Gibson, seconded by Johnson, to approve the FY23 Ames Public Library Friends Foundation ask as presented.

Vote on Motion: 7-0 (Reynolds abstained; Torres III excused). Approved unanimously. Resolution No. 2023-L012 adopted.

<u>Director's Goals:</u> Schofer presented her goals to the Board. The Director's Evaluation Committee had previously reviewed the goals with Schofer.

Moved by Myers, seconded by Thorbs-Weber, to approve the Director's goals as presented.

Vote on Motion: 7-0 (Reynolds abstained; Torres III excused). Approved unanimously.

Ames Public Library offers collections to further the Library's mission, "Ames Public Library – We connect you to the world of ideas." The freedom to know is the foundation of our democracy. Ames Public Library strives to be an information center for the Ames community to preserve and encourage the free expression of ideas essential to informed citizens. The Ames Public Library Board of Trustees has adopted this Collections Policy to provide guidance for the selection and evaluation of materials to anticipate and meet the needs of the Ames community.

Responsibility for Selection

The Ames Public Library Board of Trustees delegates authority for the selection of materials to the Library Director and those members of staff designated by the director as selectors, who are charged with meeting the goals of the Collections Policy.

Materials Budget

The Ames Public Library Board of Trustees develops an annual materials budget in consultation with the director. This budget is certified by the Ames City Council. Each year the selectors develop budgets for their selection areas based on factors such as circulation statistics, cost per item, annual collection goals, and support of the strategic plan.

Selection Guidelines and Practices

The Ames community includes people from diverse educational, cultural and economic backgrounds who display a variety of interests, needs, values and viewpoints. Selections are based on general knowledge of the subject area and its literature, familiarity with the materials in the collection, an awareness of the selection tools for the subject, and recognition of community needs as identified by demographic information, statistical analyses, and customer requests. The selectors apply professional standards and work within specific selection and review procedures.

Library customers will find materials to stimulate their imaginations and enhance their leisure time. Librarians support the role of a popular materials center by selecting materials to serve the full range of ages, cultures, lifestyles, education, reading, and technology skills of citizens. The materials selected represent the diverse cultures reflected in the community. The collection includes diverse points of view and a choice of formats, treatments, and levels of difficulty. Librarians achieve a balanced collection through a range of materials, not an equality of numbers, working within constraints of budgets, availability, and space.

Ames Public Library is a popular materials center and does not attempt to duplicate the research resources of Iowa State University. The library does not collect material to support local school curricula, except when these materials also serve the general public. The Library does collect

supplementary materials that promote lifelong learning and provide a beginning point for those seeking more advanced information or materials.

The collection is generally not archival, and items are expected to be used frequently. The selectors oversee an annual assessment to ensure that the collection meets current needs and that a substantial percentage of the materials are less than five years old.

Ames Public Library adheres to the American Library Association's Library Bill of Rights and its interpretations, and The Freedom to Read and Freedom to View statements. Inclusion of material in the collection does not imply the library's endorsement of it or its contents. The Library recognizes that any given item may offend some patrons, but because the Library follows accepted principles of intellectual freedom, it will not remove specific titles solely because individuals or groups may find them objectionable.

Criteria for Selection

All materials are evaluated using the following criteria:

- Content fits within the mission and strategic plan of Ames Public Library
- · Popular demand
- Cost
- Timeliness
- Scarcity of material on the subject and availability elsewhere
- Quality, suitability, and sustainability of the format
- Representation of diverse points of view and broad knowledge base
- Relevance to community needs
- Consideration of the work as a whole
- · Technical quality

An item need not meet all of these criteria in order to be acceptable. Other considerations may be applicable in specific subject areas.

Formats

Materials are purchased in the most appropriate sustainable format for library use. Ames Public Library recognizes the place of non-print formats in the collection as legitimate educational and recreational resources for the community. The Library monitors the development of new formats and materials and may add these to the collection. The continuation of current formats and the adoption of new ones will be based on an analysis of market acceptance of the format, its ability to provide a cost-effective alternative to existing formats, and the Library's financial ability to acquire, process, and maintain a sufficient collection.

Ames Public Library acquires materials in formats that are accessible to citizens with a variety of needs. Selectors will develop these collections as demand indicates, and will be alert for new formats that may be appropriate.

Multiple Copies

Ames Public Library may respond directly to community and customer interests by purchasing multiple copies of certain items. While the Library's budgetary resources do not allow for the purchase of

multiple copies of every title owned, the budget is structured to provide multiple copies of high demand items. The number of duplicate copies purchased may be determined by the number of holds placed on a given title. The Library strives to meet temporary demand and still build a collection with breadth and depth.

Customer Requests

Ames Public Library customers are encouraged to recommend purchase of library materials. These requests are evaluated using the selection criteria reflected elsewhere in this policy. "<u>Customer Request Forms</u>" are available online at Ames Public Library's website: www.amespubliclibrary.org.

World Language Materials

The Library maintains a select collection of world language materials in both the adult and youth collections for recreational reading, general interest, and to support world language programs. Languages selected for this collection are based on community data, availability of library-quality material and records, and reflects strategic plan goals.

Special Collections

Ames Public Library supports the acquisition and preservation of useful and important historical, municipal, public, and genealogical materials relating to Ames and Story County. Materials may be obtained in print and electronic formats. The development of special collections will focus on the following areas:

- Farwell Brown Photographic Archive: Ames Public Library will work in cooperation with Ames History Museum to maintain the print and digital archive.
- Heritage Room: Ames Public Library may acquire and maintain useful and important historical and
 municipal publications relating to Ames and surrounding communities. Ames Public Library will
 work in cooperation with Ames History Museum and Iowa State University Special Collections and
 University Archives to determine the disposition of materials of local historical interest.
- **Genealogy Collection:** Ames Public Library will acquire and maintain relevant genealogical materials in cooperation with the Story County Genealogical Society. The chapter is responsible for recommending new materials for the genealogy collection.

Collection Assessment

Circulating collections undergo an annual assessment to make space for current materials, to make collections more attractive, to facilitate ease of use by customers and staff, and to reduce the damage to materials caused by overcrowding, space limitations, and overuse. Assessment decisions are based on the following criteria:

- Currency
- Accuracy
- Use and vitality based on analysis of collection measures
- Wear and damage
- Durability
- Changes in format
- Duplicated holdings with low demand
- Space limitations
- · Community interest

Placement of Materials

Ames Public Library Resource Services staff uses the Dewey decimal classification system and Library of Congress subject headings to place materials in the proper subject area and to assign them to shelving categories. Selectors consider age recommendations in reviews as they choose and classify materials.

Ames Public Library shelving areas are divided in sections such as Juvenile, Reference, Fiction, and DVDs for ease of use, but customers of any age may use materials in all sections of the library. It is the responsibility of parents or legal guardians, not Ames Public Library staff, to monitor library use by minors.

Expressions of Concern

The Ames Public Library Director and the Board of Trustees welcome feedback from customers. Any customer concerns will be handled promptly and courteously as detailed in the Expressions of Concern Policy.

BOARD OF TRUSTEES

Richard Johnson, Secretary

Approved: 07/16/2015* Reviewed: 05/20/2021 Revised: 08/20/2018

The Board of Trustees of Ames Public Library respects the privacy of users and recognizes its responsibility to protect that privacy in accordance with the Code of Iowa and the American Library Association's statement of professional ethics. Confidentiality of library records is central to intellectual freedom and directly related to the right to open inquiry without having the subject of one's interest examined or scrutinized by others. The Board of Trustees believes that public access to names of persons who hold Ames Public Library cards could discourage use of the Library.

Confidential Information

The Library will not reveal the identities of individual users for private, public or commercial use. The Library will hold confidential personal registration information such as address, phone number, and email address, and personally identifiable uses of Library resources, including but not limited to:

- information sources consulted:
- information sought or received;
- reference interviews;
- materials used or borrowed:
- interlibrary loan records; and
- Internet and database search records.

All parties with authorized access to Library User Records are required to uphold confidentiality as specified by Library policies and applicable provisions of the Iowa Code, unless excepted below.

Exceptions

- The Library Director may authorize specific uses of the data contained in the Library's User Records by the Library in order to conduct Library business.
- The Library Director may authorize use of Library user contact information by Ames Public Library Friends Foundation for such purposes as fundraising, marketing, or advocacy.
- The Library interprets possession of a card (or card number) as consent to use it, unless it has been reported lost or stolen, or there is reason to believe that consent has not been given.
- Library User Records may be revealed to a collection agency or law enforcement personnel in the course of attempting to recover property or collect charges. Library User Records may be accessible by third party support personnel while providing routine software maintenance or troubleshooting.
- The Library contracts with third party vendors and library consortia that distribute electronic content through licensing agreements. The Library cannot guarantee the confidentiality of information sought or received, or materials consulted or borrowed from these vendors. Some vendors may gather information about library patrons through the registration process and/or

- library transactions for their own marketing purposes. Customers using these resources are subject to the individual third-party terms and privacy policies.
- Contact information provided by the user to book a meeting room is considered public information.
- Illegal activity is not protected and Library Users have no expectation of privacy as to activity that violates the law. The Library may review User Records when a violation of law or Library policy is suspected.
- Library User Records shall be released to a criminal or juvenile justice agency when pursuant to a valid search warrant, subpoena or court order, or when otherwise authorized by law. Library staff will consult with the City's Legal Department in the event of such request for release of Library records, and will respond to the request according to the advice of counsel.
